

TOWN OF LUNENBURG COMMUNITY CHOICE POWER SUPPLY PROGRAM STATUS REPORT Q1 2023

Prepared June 2023

This report has been prepared by Colonial Power Group with information/data being provided by the Competitive Supplier and Unitil. The purpose of the report is to provide information about the Town of Lunenburg's Community Choice Power Supply Program, which currently provides competitive power supply to approximately 4,700 consumers in the Town. The data provided by the Competitive Supplier is not available until three months after the month it is used. For example, power is *Used* in January, *Invoiced* in February, *Paid* in March and *Reported* in April.

PROGRAM RATES		
Term	November 2021 – December 2022	December 2022 – November 2024
Competitive Supplier	First Point Power	First Point Power
All Rate Classes	\$0.11210 / kWh Meets MA Req	\$0.11740 / kWh Meets MA Req

COMPARISON TO UNITIL RATES

The Town's aggregation savings are directly tied to the margin of savings between the Program's rates and Unitil's corresponding Basic Service rates as well as the level of consumption by participating consumers. Basic Service rates change twice a year or more, depending on utility and rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against the Basic Service rate. However, such savings and future savings cannot be guaranteed.
